

EDRIAN MANIWANG

About Me

Productivity-focused Computer Engineering undergraduate, experienced in leveraging online software tools for enabling and optimizing Amazon accounts. Skilled in troubleshooting and resolving brand-related issues, I bring a proactive approach to problem-solving. With a deep understanding of the Amazon platform and a strong technical skill set, I excel at analyzing data, identifying patterns, and implementing effective solutions. As a collaborative team player, I thrive in fast-paced environments and am eager to contribute my expertise to drive success in a dynamic organization.
